- The tent sides may be opened or closed depending on weather and at the discretion of Belmont Park Management.
- The Standard Rain Plan-The Ceremony moves inside the tent; the cocktail hour moves inside the manor and the reception remains inside the tent. The rain plan is executed by your caterer. In the event of severe weather warnings and lightning, Belmont staff will move everyone inside the manor until the threat has passed for at least 30 minutes.

This completed form is due no later than 30 days prior to your event along with your tent floor plan and timeline.
